

Dear Teachers, Students, and Parents:

The Evanston Cycling Club is pleased to announce the fourth annual poster contest to promote bicycle education and helmet safety. The contest is open to any elementary student grades K-5. Students are asked to create a poster that they think promotes the ideas of bicycle education and helmet safety.

Posters should be created on 8 ½” x 11” paper and should be turned in to the student’s teacher. Deadline for the contest will be announced during the school year of 2008. A Cycling Club member will pick up the posters at the office of each school.

Depending upon the number of entries and the availability of wristbands, it is planned for each poster contestant to receive a Lance Armstrong “LIVESTRONG” wristband. These wristbands help support the Lance Armstrong Cancer Foundation.

The student with the winning poster from each grade, from each participating school, will receive a new bike helmet. The grand prize poster will be selected from these posters. The grand prize winner will receive a new BICYCLE!! The wristbands, bike helmets, bicycle, and bike safety education packet are courtesy of the Cycling Club. ***Remember to always wear your helmet and ride your bike safely!***

A copy of the grand prize poster will be on display in each elementary school for the remainder of the school year.

Interested students are asked to please fill out the entry form below and attach it to the back of their poster.

Questions about the contest should be directed to Marlene O’Rourke at 789-6541 or Jill A. Smith at 783-6470. Good luck from the Evanston Cycling Club!! ***Riding for our Community.***
